I was a member of WSA before BETA launch. The concept appealed to me and Graham's genuineness was and is contagious. We are a community and we work together for the best interest of all. WSA is for everyone, if you have failed online, if you are new or have enjoyed success. I'm being financially rewarded and am happy to be part of a loving, caring and sharing community. I have strong ethical and moral standards in my online and offline activities and relationships. To your success. Steve
