Here is my story. The first of June I started a second time with a 21 days abundance meditation group. And then the second day the miracle happen that Roger Mitchell send me the opportunity We share abundance. When I saw this and looked at It I sais this is what I have been waiting for to help the youth here in Suriname and other countries.. I ask the Universe to guide me with WSA to make it a success here and that WSA is here forever. So I signup and start sending it to a few friend and within 3 weeks I had more then 150 people in the group. I have 30 years experience in Network Marketing so use that knowledge to start building. I also pray for WSA grow big in the coming months. More then 1 million members.. I will do whatever it takes to promote WS. I still have a list in my phone of 300 people that are waiting for the opportunity. I joined 4th of juni 2020 and have generated 148\$ in June. This is helping me now to help the people in my group. The main goal is to help people as many people to succeed. What I enjoy the most is that with WSA I can help the youht To generate an income for the future. Success and blessings to run WSA. God Bless. 12:58
