Country Manchester.UK User Name Kingscomo Star Rating 5 I joined We Share Abundance (WSA) in March 2020. The programme has been a prayer answered. From the first time I listened to Graham Frame speak on Facebook, his honesty caught my interest to sign up and ever since my signing up, it's been a good experience with all the people in the community. With one goal in mind, which is helping each other to succeed. I have been earning staidly from this great programme. Whoever, that is thinking or have been invited to join
